

From the way technology and cloning is merging together it appears this statue who is given breath to act against Believers is a “copy” of the actual anti-christ. This is what is now believed to be “Tran humanism or artificial intelligence or is it intelligent design.”

There are many already around being used, one of the names used is “AI”
Accenture.com

“AI can unlock new potential for businesses by augmenting and extending human capabilities”

The spirit of the anti-christ is working to intergrade the people to interact with artificial exceptance. To make people more comfortable with using the system “as harmless.” Do not be deceived God is not mocked, whatsoever a man sows to the flesh will of the flesh reap corruption, but he who sows to the spirit will of the spirit reap everlasting life. Let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.” Bible.com nkjv.

We have entered an age in knowledge where there are those who are crossing over from mere growth in information to abominations → Tran humanism and animal hybrids, mutants are not God’s way.

The Word is very clear on his creation, and who we are through Him.

Colossians 2:9-10

“For in Him the whole fullness of Deity (the Godhead) continues to dwell in bodily form [giving complete expression of the divine nature].

And you are in Him, made full and having come to fullness of life [in Christ you too are filled with the Godhead ---Father, Son and Holy Spirit—and reach full spiritual stature]. And He is the Head of all rule and authority [of every angelic principality and power].” AMP

A light in the Darkness a beacon of hope

The Mark of the Beast

Revelations: 13:16

Also he compels all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead [signifying allegiance to the beast],

and that no one will be able to buy or sell, except the one who has the mark, *either* the name of the beast or the number of his name.

Deuteronomy 5:7-8

**Thou shall have no other gods before me .
When God gave the Law to Moses the first
commandment was:**

1. Thou shall have no other gods before me
2. thou shall not make any graven images, not make any graven image or any likeness of anything that is in heaven above, or in the earth beneath or that is in the water under the earth.
3. Thou shall not take the Nam of the Lord your God in vain

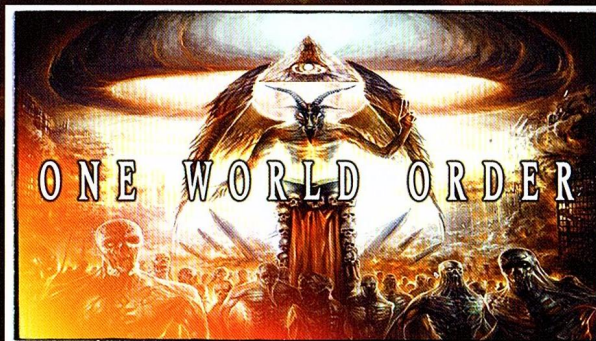

The first three commandments deal directly with God as our first Love and the 4th deals with spending time at "Rest" with Him.

At the presence time there is a spirit stirring the hearts of evil men, to provoke them to form a One World Government and to reform to a One World Religion. The Word of God in Revelations 13 tells of the "beast" and that he is given authority for forty-two months; 3.5 years. The beast will demonstrate deceptions that will deceive many peoples.

There is another beast in this scene, the false prophet who will speak and promote the worship of the first beast. We now know the false prophet is Pope Francis; and he is diligently working to bring about a one world religion; where people are being lead to believe that all the religions worship the same god. This is absolutely not true. It is a lie from the pit of Hell. Do not be deceived into believing this, we do not serve or worship the same god.

He attempts to appear as if he is a good and sincere leader, even stating Jesus made himself "sin for us." Wow He uses truth to deceive those who are not prepared and are not rooted in His Word.

"He is permitted to impart the breath to the beast's image, so the statute of the beast could actually talk and cause to be put to death those who would not bow down and worship the image of the beast." Rev.15, 16, 17, Dan. 3:5

It appears from the scriptures the beast that is given breath is only a "copy" of the actual anti-christ. Verse 14 and 15 of Revelations 13 states it is an "image" of the beast or likeness of the beast."

**Image is stated to us in 2nd commandment of God; any "likeness" Oxford translation
As a noun: a representation of the external form of a person or thing in art Tech Target
An image is a visual representation of something, information technology (the term has several usages) 1. an image is a picture that has been created or copied and stored in electronic form.**
